

## Case Erectors New Electric Axis F34x range

<b>TECHNICAL BULLETIN</b>		
<b>Family Nr. Date</b>	<b>Case Erectors 003-2016 Feb 01, 2016</b>	<i>Starting from February SIAT has introduced a new SMC electric axis kit on F34x case erector range.</i>
		<p><b>Features:</b>  <i>This new generation of electric axis allows the following advantages:</i></p> <p><i>Cycle time shortened thanks to a new internal movement method</i>  <i>Reduced impact noise thanks to bumper cushion</i>  <i>Lightweight up to 15% weight reduced</i></p> <p><i>This new electric axis have been introduced to harmonize all standard pneumatic components with a single brand.</i></p>
		<p><b>Remarks:</b>  <i>Interchangeability with the previous components through this specific replacement kit.</i></p> <p><i>This new improvement will be implemented for all our case erectors of F34x range.</i></p>
New Item Codification:		Old Item Codification:
F344/45 range SBA0018240		F344/45 range SCC0001065
F344/45 range SBA0018136		F344/45 range SCC0001066
F346 mode SBA0018239		F346 mode SCC0001481
First Use of Production:		Availability as Spare Part:
February 1st, 2016		February 1st, 2016
